In addition to handling its own legal affairs, the PCC's Legal Affairs Committee also handles legal matters for the Appeals Review Committee and the Professional Engineers Disciplinary Retrial Committee.

I. Operations of Legal Affairs Committee

1. The Legal Affairs Committee is comprised of experts with engineering, procurement, and legal backgrounds, together with high-ranking PCC personnel, and has a total of 13 members. It handles review and other matters related to acts, regulations, administrative rules, and legal interpretations that come under the jurisdiction of the PCC.

2. Status of the Committee's Review Operations

- (1) The Legal Affairs Committee held 10 meetings in 2006 to review the enactment and revision of laws, regulations, and administrative rules under the PCC's jurisdiction, and to examine points of uncertainty about the application of laws and regulations under the PCC's jurisdiction.
- (2) The following major reviews of laws, regulations, and points of uncertainty about application were completed in 2006:
 - a. The review of four revisions of government procurement-related laws was carried out: Articles 70, 101, and 103 of the Government Procurement Act; Articles 70, 70-1, and 103-1 of the Government Procurement Act; Articles 10, 14, and 15 of the Regulations Governing Fees for the Mediation for Dispute Regarding the Performance of the Contract for Government Procurement; and Article 6 of the Regulations Governing Fees for the Complaint Review for Government Procurement. With the exception of those concerning the Government Procurement Act, these revisions have been implemented. Two cases involving the uncertainty about the application of the law were also completed.
 - b. Two cases of revision concerning private participation in infrastructure projects were completed: Articles 2, 26, and 34 of the Regulations for Dispute Resolutions in the Application and Evaluation Procedures for Private Participation in Infrastructure Projects, and Article 2 of the Regulation for the Organization of the Selection Committee and the Evaluation for the Private Participation in Infrastructure Projects, both of which

have been implemented. One case of uncertainty about the application of law was carried out.

- c. In the area of laws and regulations regarding professional engineers, a revision of the Organizational Regulations for the Professional Engineer Discipline Committee and the Professional Engineer Discipline Retrial Committee has been promulgated and implemented.

3. Status of Legal Affairs Operations

In addition to the reviews of bills as described above, the regular operations of the members of the Legal Affairs Committee in the enactment, revision, and interpretation of the Government Procurement Act, Law for Promotion of Private Participation in Infrastructure Projects, the Professional Engineers Act, Act Governing the Administration of Professional Engineering Consulting Firms and its subsidiary laws, and administrative regulations help to make the application system for laws and regulations under the jurisdiction of the PCC, as well as for the rules for the monitoring of public construction, construction quality, and the review of spending, more complete and comprehensive.

II. Operation of Appeals Review

Members of the PCC's Legal Affairs Committee serve concurrently as members of the Appeals Review Committee, which handles the review of petitions submitted to the PCC. Two petitions were handled during this year, and both were brought to a conclusion within three months.

參、技師懲戒覆審業務

本會依技師法第四十四條、技師懲戒及技師懲戒覆審委員會組織規程第一條之一之規定，設置技師懲戒委員會，辦理技師違反技師法相關法規之技師懲戒事宜。委員由具有工程、採購、法律等背景之專家、學者、機關代表及本會高級人員組成。95年度共召開技師懲戒覆審委員會議3次，技師懲戒覆審委員會辦理案件統計及處理情形表列如下（89.10.01－95.12.31）：

III. Discipline of Engineers

The PCC has established a Professional Engineers Disciplinary Committee, in accordance with the provisions of Article 44 of the Professional Engineers Act and Article 1-1 of the Organizational Regulations for the Professional Engineers Disciplinary Committee and the Professional Engineer Discipline Retrial Committee, to handle the disciplining of engineers who violate the stipulations of the Professional Engineers Act. The membership of the committee is made up of experts, scholars, representatives of government agencies, and high-ranking PCC personnel with backgrounds in engineering, procurement, and law.

The Professional Engineers Disciplinary Retrial Committee held three meetings in 2006. The number of disciplinary cases handled (Oct. 1, 2000-Dec. 31, 2006) and the status of their disposition are shown in the following chart:
