計畫原文內容

The Government of Kosovo has applied for loan financing from the European Bank for Reconstruction and Development (EBRD) and European Investment Bank (EIB) for a project to construct a motorway from Kijevë/Klina to Zahaq, Kosovo. The proposed project, which has a total estimated cost of approximately EUR 140 million equivalent will be implemented by Ministry of Infrastructure represented by the Department of Road Infrastructure and will require the procurement of the following goods, works and services (contracts):

- Construction of approximately 31 km of motorway and ancillary infrastructure to TEM design standards,
- One or more consultancy services contracts to cover construction supervision, project management and environmental and social monitoring and evaluation services.
- Preparation of road sector financing study
- Lender Monitor
- Road safety capacity development and road safety assessment

Tendering for the above contracts is expected to begin in the Q2 of 2018.

Contracts to be financed with the proceeds of loans from the EBRD and EIB will be subject to the EBRD Procurement Policies and Rules and to the EIB's guide to Procurement and will be open to firms from any country. The proceeds of the EBRD and EIB loans will not be used for the purpose of any payment to persons or entities, or for any import of goods, if such payment or import is prohibited by a decision of the United Nations Security Council taken under Chapter VII of the Charter of the United Nations or under a law of official regulation of the Purchaser's country.
