<input type="checkbox"/> 01 Civil Engineering <input type="checkbox"/> 02 Hydraulic Engineering <input type="checkbox"/> 03 Structural Engineering <input type="checkbox"/> 04 Geotechnical Engineering <input type="checkbox"/> 05 Survey Engineering <input type="checkbox"/> 06 Environmental Engineering	<input type="checkbox"/> 07 Urban Planning <input type="checkbox"/> 08 Mechanical Engineering <input type="checkbox"/> 09 Refrigeration & Air-conditioning Engineering <input type="checkbox"/> 10 Electrical Engineering <input type="checkbox"/> 11 Electronic Engineering <input type="checkbox"/> 12 Chemical Engineering	<input type="checkbox"/> 13 Industrial Engineering <input type="checkbox"/> 14 Industrial Safety Engineering <input type="checkbox"/> 15 Soil and Water Conservation Engineering <input type="checkbox"/> 16 Applied Geological Engineering <input type="checkbox"/> 17 Transportation Engineering <input type="checkbox"/> 18 Mining Engineering		
Permanent Address of the Chairman or Statutory Representative				
Telephone No. of the Firm	() - Mobile Phone No.:			
E-Mail				
If the Chairman or Statutory Representative is Indigenous	<input type="checkbox"/> No <input type="checkbox"/> Yes (The registration by the Household Registration Office should be done if check "YES".)			
Period of Suspension				
Method of Receiving Documents	<input type="checkbox"/> Mail to the Address of the Firm <input type="checkbox"/> Pick up in person (Contact Information: _____)			
Declaration	All information provided in this Application and all attached documents (including further documents required by fax) are correct. All copies are certificate true copy of the Original Documents. Where there is any inconsistency, the Applicant shall bear all legal obligations.			
Signature of the Applicant: (Please read through all the Notes on the back carefully)	Chop of the Firm:			

- Note: 1. Applicant (Chairman or Statutory Representative of the Firm) shall read through the Act Governing the Administration of Professional Engineering Consulting Firms, the Enforcement Rules of the Act Governing the Administration of Professional Engineering Consulting Firms and the “Guideline for Application (Alteration) of Registration Certification of Professional Engineering Consulting Firm”; **all handwriting provided** in the Application Form and attached documents must be **in print or written legible**.
2. A New Firm does not need to provide Unified Business No. nor affix the Firm’s chop; however, **the Applicant (the expected Chairman or Statutory Representative of the New Company; or if the Chairman or Statutory Representative has not yet been changed, the current Chairman or Statutory Representative)** shall sign this form in person. For a Registered Firm to add **new item, I101061 Engineering Consultancy**, in its business scope, or a Firm already holding a Professional Engineering Consulting Firm Registration Certificate issued by this Commission, the Applicant shall sign this Application form in person and affix the chop of the firm thereon.
3. If the Applicant does not check the methods of receiving the decision of this application, or if the Applicant checks the box for picking up in person but does not provide detailed contact information, or fails to pick up the decision within the period as informed over the telephone, or fails to be reached, the decision will be forwarded to the Applicant by mail. **(Designated address is not accepted for this Application)**
4. For Firms changing only the Director(s) or Managing or Representing Shareholder(s) of the Firm, please provide documents as specified in “Guideline for Application (Change) of Registration Certification of Professional Engineering Consulting Firm”, and do not fill in the “Items to be Changed” box.
5. Please fill in the E-Mail address for sending notices of relevant information (e.g. relevant education or training courses for Professional Engineering Consulting Firms provided by the PCC) in the future.
