團隊

The PCC Team

公共工程委員會團隊以真誠、效率、同理心為要，
專注各項執掌的業務、健全公共工程制度、加速公共建設執行，
讓台灣整體競爭力全面提升。

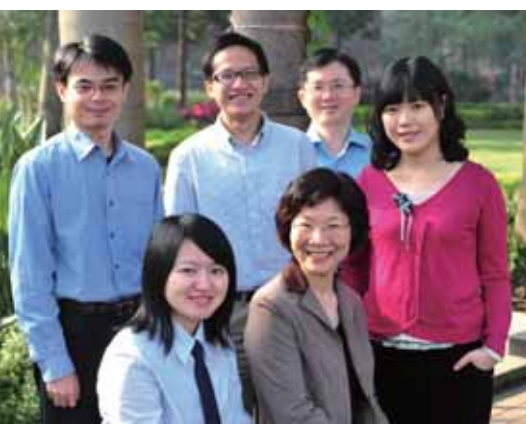

The Public Construction Commission team focuses all the tasks within its jurisdiction with sincerity, efficiency, and empathy as it works to strengthen the public construction system, accelerate the implementation of public construction, and boost Taiwan's overall competitiveness.

群策群力 為民謀福

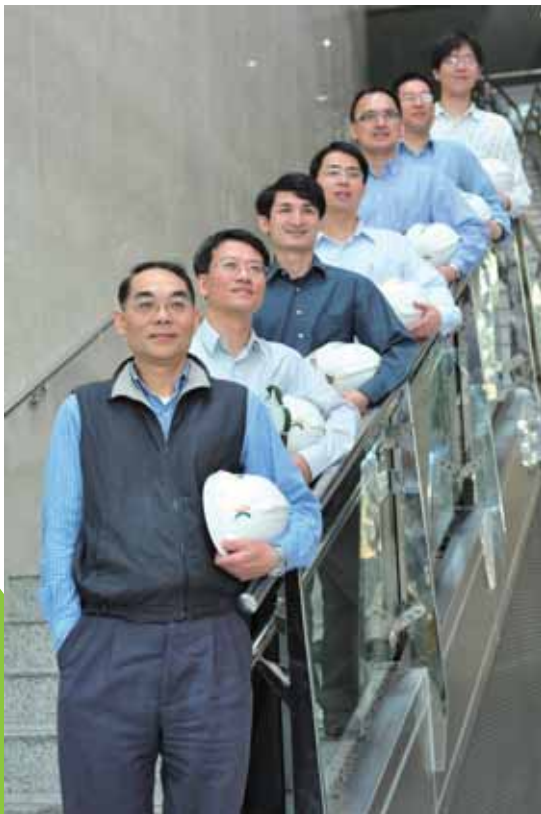

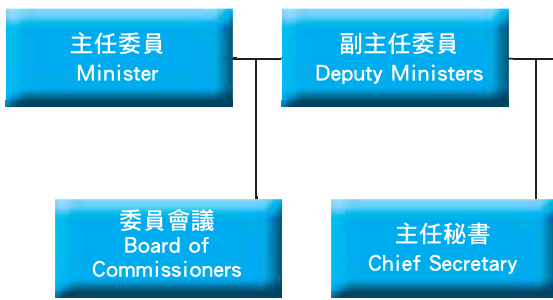

Working as a Team Striving for the People

工程會依組織編制設主任委員1名、副主任委員2名、主任秘書1名，下設有13個處、室、會、組，齊心為督導全國公共工程建設而努力，同仁碩士以上者占64%，大學畢業以上者占91%，可謂人才濟濟，上山下海勘查工程，展現滿滿行動力。

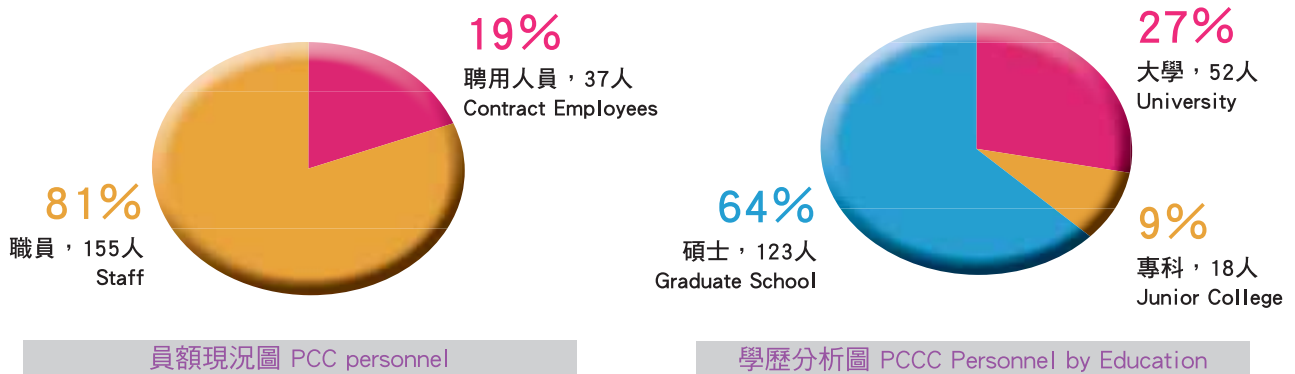

The Public Construction Commission is headed by one Minister, two Deputy Minister, and one Secretary-General. There are total 13 departments, offices, committees, and units that work in concert to oversee public construction throughout the country. Within the PCC staff, 64% have master's degree or higher and 91% have university education and we are not afraid to say its an elite group. The staff is not only with talent and know how but also with active mobility and will inspect construction work under all conditions and all circumstances.
